APRIL 2011

Manchester International College

What's been going on?

REMINDERS:

- Visit to Castleton caves and hills.
- Easter holidays. Last day in college April 8th, back on May 3rd.
- Exams and tutorials for English—final reports and certificates will be given by your teacher.

HELLO!! Welcome back to our news letter. And welcome to April!! Spring is finally here :)

Last month we had a great visit to The Lake District. We all enjoyed walking around the beautiful scenic area in the North East of England.

This is our final week before the Easter holidays. We hope you have a good holiday and we will see you back in May!

The Business Department enjoyed a seminar about Working life in an international company. An experienced accountant gave a talk about 'hands on' experience which our students may be part of in their future careers.

Well done everyone for helping us celebrate COMIC RELIEF. We raised £296 in total!! So the teachers wearing read noses and curly wigs was all worth it!
